# REQUEST FOR QUOTE - Detailed Information

## Enrichment Express - 10 students working in pairs

- Includes all Erector® pieces, tools, nuts and bolts, wheels, and tool aprons for 10 students working in pairs to complete 20 lessons. All materials are neatly organized and separated into convenient storage containers.
- Includes a fully documented Teaching Manual with 20 lessons, concepts, step-by-step building instructions, room setup procedures, class and safety rules, troubleshooting techniques and an index of parts.
- 1 year free warranty\* and quality assurance\*\*.

## Enrichment - 20 students working in pairs

- Same as above Enrichment Express.
- Includes more pieces and parts, enough for 20 students working in pairs.

## Enrichment Super Sized - 40 students working in pairs

- Same as above Enrichment.
- Includes more pieces and parts, enough for 40 students working in pairs.
- Includes a hand truck to transport kit.

## Extended Warranty and Quality Assurance - per additional year

- \*Warranty:
  - Replacement of unusable broken motors and battery packs.
  - Exchange of broken, bent or unusable: beams, axles, gears, pulleys, and belts.
  - Replenishment of nuts and bolts.
- \*\*Quality Assurance:
  - Customer service phone call to your office once every six months to handle any questions or concerns for one year.

## Sample Projects

- Includes a pre-built sample of the following 18 projects: Gravity Car, Belt and Pulley Car, Catapult, Merry Go Round, House, 4 Wheel Drive Car, Crane, Gondola, Speed vs. Torque Car, Rubber Band Car, Gear Car, Glider, Motorcycle, Eiffel Tower, Ferris Wheel, Elevator, Helicopter, and BPG Motorcycle.

## Custom Training

- One custom training session that is held at your location. Approximately 6 hours long.

## Poster

- Approximately 18"x24" poster with sample projects and your schools name on it.

## Staff Shirt

- A white t-shirt with our AWESOMEngineering logo on the front and "Staff" written on the back. Perfect for your instructors to be easily identified.

## Custom Tool Apron

- A custom tool apron with the schools and/or instructors name on it.
